Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - The Kissing Camels Property Owners Association (Association) was incorporated on May 23, 1960 as a Colorado nonprofit corporation to provide for the maintenance, preservation, and architectural control of the lots in Kissing Camels Estates and to promote the health, comfort, safety, convenience and welfare of the residents of the Association, pursuant to the Declaration of Covenants, Conditions, Easements, Restrictions and Reservations for Kissing Camels Property Owners Association. The Association is located in Colorado Springs, Colorado and consists of 637 residences and 58 lots, a grand total of 695, of which 315 are in seven different sub associations.

Basis of Accounting - The accompanying financial statements are presented using the accrual basis of accounting. Financial resources are classified for accounting purposes into two funds. The operating fund is used to account for the general operations of the Association. The replacement reserve fund is used to accumulate monies designated for future major repairs and replacements.

Income Tax - The Association has elected to be taxed as a homeowner association under Internal Revenue Code Section 277. Under that Section, the Association is taxed on net membership and non-membership income and expenses related to its membership organization purpose, which is the acquisition, construction, management, maintenance, and care of the Association property. Net membership and non-membership income are taxed by the federal government and by the State of Colorado.

The Association's tax filings are subject to audit by various taxing authorities. The Association's federal income tax returns for 2017 to 2019 remain open to examination by the Internal Revenue Service; Colorado income tax returns for 2016 to 2019 are open to examination. Management of the Association believes that it does not have any uncertain tax positions that are material to the financial statements.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents - Cash and cash equivalents consist of the Association's checking and money market accounts. The Association maintains its cash and cash equivalents at commercial banks and a credit union. In the event of a bank or credit union failure, the Association may only be able to recover the amounts insured.

Assessments Receivable - Assessments receivable are stated at the amount the Association expects to collect from balances outstanding at year-end. An allowance for doubtful accounts is estimated based on the Association's experience with owners having outstanding balances. At June 30, 2020, an allowance was not considered necessary, as management expects to collect all outstanding balances.

Property - The Association does not capitalize common real property directly associated with the lots. At June 30, 2020, property not capitalized consists of sidewalks, access roads, gates, a guardhouse, and open space.

**KISSING CAMELS PROPERTY OWNERS ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

During the year ended June 30, 2016, the Association acquired approximately 3.48 acres of undeveloped land near the recreation center from Garden of the Gods Club, LLC (GOTGC). The land was deeded to the Association by GOTGC as full payment of \$137,831 (assessments and legal fees) that was owed to the Association.

The 3.48 acres mentioned in the previous paragraph is not directly associated with the other lots in the community. The Board of Directors intends to hold this acreage for sale or other commercial use. Under current rules for property owners' associations, the sale of this property would require approval of the membership.

Statement of Cash Flows - For purposes of the statement of cash flows, cash, and cash equivalents are defined as demand deposits and short-term investments with an initial maturity of three months or less. The Association did not pay any income taxes or interest during the year ended June 30, 2020.

Prior-Year Comparisons - The financial statements include certain prior-year summarized comparative information in total but not by fund category. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

New Accounting Pronouncement – In June 2020, the FASB issued ASU 2020-05, Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842). This update defers, for one year, the required effective date of ASU 2014-09, Revenue from Contracts with Customers (Topic 606) and ASU 2016-02, Leases (Topic 842). The elective deferrals were adopted, and implementation of accounting standards updates, for revenue recognition and leases, will be deferred one year.

Reclassifications – Certain reclassifications of amounts previously reported have been made to the accompanying financial statements resulting from updated account groupings and a new chart of accounts. The reclassifications had no impact on previously reported net assets.

NOTE 1 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents as of June 30, 2020, consist of the following:

**KISSING CAMELS PROPERTY OWNERS ASSOCIATION, INC.

6/9/2021	0.15%	160,000
		<u>\$ 2,200,000</u>

The Association intends to hold these certificates until maturity.

NOTE 4 – ACCOUNTS RECEIVABLE

Accounts receivable as of June 30, 2020, consist of assessments due to the Association in the amount of \$26,201. Of this balance, amounts aged 90 days or older total \$5,014.

NOTE 5 – PROPERTY MAINTENANCE ALLOCATION AGREEMENT

The Property Maintenance Allocation Agreement refers to certain cost centers for which responsibility is shared by the Association and Garden of the Gods Club and Resort (GOG). The major components of the agreement are landscaping and irrigation, premises security, Kissing Camels Drive, fiber optic cable, and related access and use (Shared Expenses).

In February 2018, the Association entered into the Property Maintenance Allocation Agreement, a ten-year agreement with GOG effective from July 1, 2017, through June 30, 2027. This agreement specifies the allocation of certain costs related to the components in the first paragraph of this note, and effectively establishes that the Association is responsible for 69% of the Shared Expenses, with GOG responsible for 31%.

**KISSING CAMELS PROPERTY OWNERS ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS**

NOTE 6 - REPLACEMENT RESERVE FUND

Article 6.5.4 of the Declaration of Covenants, Conditions, Restrictions, and Reservations states that the annual assessment set by the Board of Directors shall include amounts for the creation of reasonable reserves for the periodic replacement, repair, and maintenance of the common elements. The Association has allocated amounts from each owner's monthly assessment to the replacement reserve fund. The replacement reserve funds have been segregated from the Association's operating funds.

NOTE 7 - OPERATING LEASE

During the year ended June 30, 2017, the Association entered into a three-year operating lease for office space, expiring on October 31, 2020. Upon expiration the agreement was extended through October 31, 2023. The extended lease agreement requires monthly payments ranging from \$1,243 to \$1,331, plus 1.66% of the landlord's operating expenses, tax expenses, and utility costs. Rent expense under this lease agreement for the year ended June 30, 2020, totaled \$22,356.

Future minimum base rent payments under the lease agreement are as follows, for the years ending June 30:

2021	\$	14,733
2022		15,265
2023		15,798
2024		5,325
	\$	<u>51,121</u>

NOTE 8 - FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association engaged an independent firm to prepare a reserve analysis in 2014 to estimate the remaining useful lives and the replacement costs of the common property components. The table shown in the unaudited supplementary information on future major repairs and replacements is based on this analysis.

The Association is funding for future major repairs and replacements over the remaining useful lives of the components. Actual expenditures may vary from estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the replacement reserve fund may or may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to approval of the Executive Board, to pass special assessments.

NOTE 9 – RISKS AND UNCERTAINTIES

Coronavirus (COVID-19) Pandemic

In December 2019, an outbreak of a novel strain of Coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic, and multiple jurisdictions in the U.S. have declared a state of emergency.

**KISSING CAMELS PROPERTY OWNERS ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS**

NOTE 9 – RISKS AND UNCERTAINTIES - Continued

The extent of the impact of COVID-19 on the Association's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, and the impact on our staff and members, none of which can be reasonably predicted. At this point, the extent to which COVID-19 may impact the Association's financial condition or results of operations is uncertain.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 4, 2021, the date on which the financial statements were available to be issued.

Subsequent to year end, the Association renewed their office lease. See Note 7.

REQUIRED SUPPLEMENTARY INFORMATION

KISSING CAMELS PROPERTY OWNERS ASSOCIATION, INC.
SUPPLEMENTARY INFORMATION ON FUTURE
MAJOR REPAIRS AND REPLACEMENTS
JUNE 30, 2020
(Unaudited)

The Association engaged an independent firm to conduct a reserve study in February 2014 to estimate the remaining useful lives and the replacement costs of the components of common property. The estimates were obtained by inspection of the property. Replacement costs were based on the estimated costs to repair or replace the common property components at the date of the study. Estimated replacement costs and estimated remaining lives have not been revised since that date and assume a 3% rate of inflation between the date of the study and the date that the components will require repair or replacement.

The following information is based on the study and presents significant information about the components of common property.
