2. 3387 Skywatch Heights – New Construction Landscape, Submitted for Approval

The buyers of the Red Rocks property submitted the Landscape Plan for ARC review and approval. ARC has requested a completed application for the project. Committee review pending receipt. No action expected at this meeting.

Ratification of Consent for Actions taken by the ARC between Formal Meetings:

1. 3850 Circle – New Construction, Preliminary Approval Extension Request

The New Construction project received Preliminary Approval on March 22, 2022. Owner was notified that because their Final Package had not been submitted within the time period allowed, the Preliminary Approval has now expired. Owner requested an extension of the Preliminary Approval with expectation that the project approval process will recommence in March. On February, 21, 2023, following ARC review, a motion was made and seconded (Swinford/Danner) to grant the extension of the Preliminary Approval for 90 days, to May 16, 2023. Motion passed. Owners notified in writing. Letter to file.

Other Business:

1. Completed Projects - The following projects have been completed and inspected by the ARC. The files have been closed and homeowners notified to come pick up any construction or landscape plans. The notification advised the homeowners that any items left in the office after one week from the notification will be destroyed.
