4. 3150 Rockbrook Lane – Tree Trunk Removal vs. Carving

At the October 14, 2025 meeting, the ARC determined that it would allow an extension on carving the tree trunk under conditions that the trunk would be reduced in size to 5' now and a letter from the sculptor would be submitted indicating they were contracted to do the project in Spring 2026. A letter was sent to the owner advising same. This was followed by a second letter requesting their response. To date, no response received. Discuss next steps.

5. 3755 Hill Circle – New Construction, Project Update

At the October 14, 2025 meeting, the ARC extended the “estimated completion date” for this new construction project with the request that monthly updates be provided by the owner/builder regarding activities and status. The first report was submitted on November 1, 2025 and circulated to the committee for review prior to this meeting.

New Business:
